

Young Adult Membership

In keeping with the tradition of inclusion that exists at Camelot, the Club offers Young Adult Memberships, available for all ladies and gentlemen from 19 to 39 years of (as of January 1st). Camelot recognizes that young adults, early in their careers, sometimes perceive traditional private Club Membership to be beyond their means. This Membership was created with two core components: affordability and flexibility.

The Young Adult Membership is a fully privileged Associate Membership (non-equity/non-voting). Camelot's fee schedule now has four (4) levels, with age groupings as follows: **19-25, 26-30, 31-35, and 36-39**. These are designed to offer cost certainty, as well as reflect the different phases of life where disposable income starts to become available. The Initiation Fees, Food & Beverage minimum and Capital Improvement fees start at significantly discounted rates and gradually rise as members progress through the levels. Meanwhile, initiation fee installments are being pre-paid, to apply against the initiation fee applicable at age 40..
