

## Corporate Membership 2023

In recognition of the perfect opportunity that golf membership provides for small and medium sized businesses to impress clients, reward employees and do business in a premium, exclusive environment, Camelot has a Corporate Membership designed to meet those needs. The Corporation can benefit from associating with a premium golf club and marketing through networking, while having the ability to deduct expenses for guests. The membership is subject to the following qualifying criteria:

- This category is available to incorporated or limited companies with presentation of an active Master Business License or CRA Business Number.
- The Corporation can name up to a maximum of four (4) designates. Eligible designates include owners, partners, employees or those affiliated directly with the corporation. The eligibility extends to spouses/partners of these designates. One designate must form part of any tee-time booking.
- Designates can be changed annually by advising the club office no later than April 30<sup>th</sup>
- The Corporation will hold an Associate Membership, thereby not hold a membership certificate in the club and there will be no voting privileges. If you are interested in a membership certificate, Corporations are eligible to purchase Regular Memberships. Please see separate terms and conditions.

This membership category is limited to 30 Corporations, granted on a first come first served basis, subject to revision and approval by the Board of Governors.

### Corporate Benefits:

- Existing Regular Members wishing to buy a Corporate Membership must surrender their Regular membership certificate in accordance with club policy and will be subject to the Corporate initiation fee.
- Play will be permitted anytime on weekdays, but only after 11am on weekends/holidays
- Reciprocal play will only be allowed for Gold or Platinum Members, with the round deducted from their annual total.
- Notwithstanding these restrictions, Corporate Members may fill any openings on the tee sheet in restricted times within 72 hours by contacting the Pro Shop.
- Corporate Members will be eligible to play in club events, with the exception of Club Championships and Intersectional Qualifying.
- One designated member can join Men's League at the Gold level and two at the Platinum level; Ladies' league is open to any female designated members.
- One designee will be provided a locker and club storage at the Bronze level, with an additional locker and club storage location provided per progressive level (i.e. 2 for silver, etc.), with no Member having more than 1 locker
- A Corporation may suspend playing privileges for one season with payment of a maintenance fee that provides club access.
- Complimentary year-round use of club meeting rooms or banquet space for functions.
