

Young Adult Membership

To support growth of the game of golf, as well as Camelot's interest in creating appropriate membership opportunities for all age groups, we offer a Young Adult membership to those aged 19-39 (age calculated annually as of January 1st). This membership bridges the gap between our junior membership, and our full membership (Regular), recognizing that those in this age group are starting to build their careers and their families. While welcome to apply for Regular membership to enjoy the fullest of privileges we offer, this Young Adult offer provides a path to gradually pay more as you become older with increasing membership benefits, until such time as you are ready to become a Premium Member.

The Young Adult Membership is a highly privileged Associate Membership (non-voting). Camelot's fee schedule has four (4) levels, with age groupings as follows: **19-25**, **26-30**, **31-34**, and **35-39**. The Initiation Fees, Food & Beverage minimum and Capital Improvement fees start at significantly discounted rates and gradually rise as members progress through the levels. Meanwhile, initiation fee installments are being pre-paid, to apply against the initiation fee applicable, no later than age 40. Plus, once you become a Young Adult, you lock in the initiation fee at the time of joining so you will not be subject to future initiation fee price increases so long as you maintain continuous membership.
