

Corporate Membership

In recognition of the perfect opportunity that golf membership provides for small and medium sized businesses to impress clients, reward employees and do business in a premium, exclusive environment, Camelot has a Corporate Membership designed to meet those needs. The Corporation can benefit from associating with a premium golf club and marketing through networking, while having the ability to deduct expenses for guests.

The membership is subject to the following qualifying criteria:

- ☑ This category is available to incorporated or limited companies with presentation of an active Master Business License or CRA Business Number.
- ☑ The Corporation can name up to a maximum of four (4) designates. Eligible designates include owners, partners, employees or those affiliated directly with the corporation. The eligibility extends to spouses/partners of these designates. One designate must form part of any tee-time booking.
- ☑ Designates can be changed annually by advising the club office no later than April 30th
- ☑ The Corporation will hold an Associate Membership, thereby not hold a membership certificate in the club and there will be no voting privileges. If you are interested in a membership certificate, Corporations are eligible to purchase Regular Memberships. Please see separate terms and conditions.

This membership category is limited to 30 Corporations, granted on a first come first served basis, subject to revision and approval by the Board of Governors.

Corporate Benefits:

- ✓ Play will be permitted anytime on weekdays, but only after 11am on weekends/holidays
- ✓ Reciprocal play will only be allowed for Gold or Platinum Members, with the round deducted from their annual total.
- ✓ Notwithstanding these restrictions, Corporate Members may fill any openings on the tee sheet in restricted times within 72 hours by contacting the Pro Shop.
- ✓ Corporate Members will be eligible to participate in club events, with the exception of Club Championships and Intersectional Qualifying.
- ✓ One designated member can join Men's League at the Gold level and two at the Platinum level; Ladies' league is open to any female designated members.
